

Prepare for future leadership roles in the global hospitality and tourism industry, one of the most dynamic and fastest growing industries worldwide. Through education and application in the areas of industry-specific operations, administration, leadership, and interpersonal and technical competencies, students will earn an academic credential that will set them apart in competitive domestic and international markets. Participate in an 8-week workplace practicum to develop their skills using a real-world, hands-on approach while building professional portfolio and network. Graduates may find employment in the full spectrum of business related careers in all industries/sectors such as operational management, administration/administrative support roles, and may more. Other career opportunities include specialized areas such as Financial, Marketing and Human Resources.
